His wife presents him to the
women of the nation as the ideal
husband. "He does a big wash-

Not just since he became a
candidate for president that he has
been doing the washing. He has
been doing it these many years.
"And he's mighty good at it,"
says Mrs. Watkins.
He puts the clothes through the

says Mrs. Watkins.

"We're Happy Here."
But Mrs. Watkins doesn't seem
very keen about moving to the
White house.

"I'm very happy here," she says.
"What more should folks want who
are contented?"

Watkins was a Republican when
she first met him, but she converted
him to the Prohibition party
when they were teaching school to-
gether at Quincy, Ohio.

"And I believe," she says, "he

And so, I say, we aren't really poor
at all, but rich in the things that
really count."

Besides being pastor of the Meth-
odist church, Rev. Watkins is pro-
fessor of English at the Miami Mil-
itary Institute of this town.

TOTAL OF 1,600 CRIPPLED TOYS GET STATE AID

Dr. C. W. East, Head of Child Hy-
giene, Gives Attention to Little
Underprivileged.

Springfield, Ill.—Sixteen hundred
crippled children of Illinois are
now receiving attention from Dr.
C. W. East, head of the state divi-
sion of child hygiene. Dr. East is
now regarded here as having the
largest clinic for crippled children
in the world.

Periodic clinics are held over the
state. When the name of a crippled
child needing attention is re-
ceived, the division sends one of
its staff to arrange for the presence
of the child at a clinic. The child
remains at home, attending only

the clinic, and there Dr. East makes
his examination and prescribes
the aid that the proper braces, sit-
ting and later orthopedic exercises for
the child. He also confers if possible
with the family physician.

Before a clinic is established Dr.
East requires that a fund of \$1,000
to pay for braces for poor children
be provided. In some places this
fund is given by the county, the
local woman's club or the Red
Cross.

There are now 22 clinics in the
state with clinics. They are
Springfield, Jacksonville, Quincy,
Alton, East St. Louis, Monticello,
Champaign, Danville, Kankakee,
Shelton, Ottawa, Princeton, Galen,
Burg, Rock Island, Moline, Blue Is-
land, Oak Park, Aurora, Elgin,
Waukegan, Rockford and Freeport.

Dr. East reaches each of these
clinics at least once in every two
months and personally attends each
of the 1,600 children. His staff con-
sists of one assistant and two
nurses. The work before them is
of such extent as to make severe
taxes on their time and endeavor.

Don't Spoil Your Hair By Washing It

When you wash your hair, be careful what you use. Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is Maltified coconut oil shampoo, for this is pure and entirely greaseless. It's very cheap and beats anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dirt, dirt and dandruff. (Ad.)
